RIBI YOUNG PHOTOGRAPHER COMPETITION

Picture Perfect

There were some stunning local entries to the first round heat of the Rotary Young Photographer Competition 2021, a national competition organised by Rotary in Great Britain and Ireland.

The theme for this years competition was: 'WILD NATURE'

The Young Photographer competition, an annual event, is designed for Young People to express themselves through the medium of photography by submitting three digital photos on the theme for the year. It is open to students in full time education in three age groups;

- Junior 7 – 10 years
- Intermediate 11 – 13 years
- Senior 14 – 17 years

The St Albans and Harpenden local heat this year was held in difficult circumstances during lockdown conditions. Whilst a challenge, it did not deter our intrepid students from getting out with their cameras. The standard was impressive. We were able to put a number of students through to the next Regional District round and we wish them luck. The judges then went through all the entries and have chosen the best overall photo in each of the three age categories and have awarded a trophy to the winners.

The local Rotary Clubs in St Albans and Harpenden are pleased to announce the winners of the best photo submitted for the 2021 Competition. Each has already received their trophy. The winners seen here holding their trophies are:

Junior 7-10

Anna Lucia Blankenship for her photo – Double Rainbow

Intermediate 11-13

Immy Rule for her photo - Toadstool

Senior 14 - 17

Beth Hawthorne for her photo – Lavender Bee
